Right Value in Life – Wisdom Superior to Folly | Eccl 9:11 – 10:15 | Pr Wallace Ong

---

1. How are these verses an alert to us? How are we as Christian to live while knowing the factor of chance and uncertainty in life?
2. How should the story of the poor wise man teach us about people? What observations did the teacher make about wisdom? What lessons are we to learn from verses 17-18?
3. What is the Teacher's warning in verses 1-3?
4. Read 10:4. When the ruler/authority rises against you, what should you do? Give examples of Scriptures showing that submission to authority and humility can help solve problems.
5. Read 10:5-11. These verses speak of the foolishness leads to destructiveness. Why it is important to avoid foolishness? How can we avoid being foolish?
6. Read 10:12-15. What is the difference between the wise and foolish man in vv12-15? Why it is important to speak gracious words to one another? (James 3:2-18, Eph 4:29)

Pray:

Spend some time to pray for one another to live with true wisdom from God in this uncertain earthly life.
