# MY CHRISTIANITY EXPLORED JOURNEY

By Irene Chieng of BEM Kuching Evangelical Church

I was born in a Christian family. So naturally, I presumed I was a Christian without truly knowing the meaning of Christianity. Over the years, my Christian friends tried to invite me to Christian Fellowship or to Sunday service, but somehow, nothing changed in my heart.

I was like the seed sown on hard soil: although I was physically there, none of the seeds sunk into my heart. I was a lost sheep. This all changed 4 years ago, when I was invited to join Christianity Explored.

Christianity Explored is a short, simple yet impactful course. Each lesson consists of a short video and discussion, giving me a clear understanding of Christianity, which is none other than the good news about Jesus Christ. The messages in the videos were powerful and always struck me, leaving a deep impression in my heart. The length of the videos was also appropriate – not too lengthy, just nice for my short attention span. The structure of the course is systematic: first, we were introduced to who Jesus is; then why he came; and eventually calling for our response.

The entire course took us step by step to understand the Christian faith instead of jumping randomly to different passages in the Bible. This systematic structure helped me truly understand the meaning of Christianity.

The topic of “**Grace**” left an exceptionally deep impression on me. I have always thought that a good Christian must be a person who does not harm others, strives hard in daily work, attends church regularly etc. But the lesson on Grace totally changed my views. It clearly showed me that we can never do enough to enter the kingdom of heaven. Instead, we can only receive eternal life as a gift, paid for by the death of Jesus. This is the grace of God, given to us despite our sinfulness.

The Bible used to be a book that was difficult for me to understand. In the past, I failed to even finish reading one chapter in the Bible. The 7 weeks of Christianity Explored guided me through Mark’s Gospel – and **for the first time in my life, I managed to go through a book in the Bible!** Since then, with the guidance of the Holy Spirit, reading God’s Word is no longer a challenge. Instead, it has become a routine for me to explore God’s word; to want to dive deeper into the Scriptures.

I find Christianity Explored suitable not just for non-Christians, but even those who are at different stages of their Christian walk. I have joined and helped out with the course several times since my first one. Every time, it gives me the chance to explore the content of the course from different perspectives. It is definitely worthwhile! I’ll keep inviting people from different walks of life to enrol in this course together, and share the best ever news we have in our lives!

# COME JOIN CUG!

By Marcus Tan

Food fun and fellowship were the words of the night of 30th April as the College and University Group (CUG) cell groups, Discovery and Explorer, came together to host a BBQ Night in PBC. The eventful night saw many newcomers, regulars, and even old friends who had not visited PBC in a long time get together to enjoy the food and games prepared by the CUG committee. The attendees enjoyed a sumptuous spread of pizza, fried rice, sausages, a variety of barbequed drumsticks and wings, along with watermelon for dessert.

After that, Samuel Ling led the attendees in a spirited time of worship. Pastor Wallace then gave a heartfelt sharing on the importance of belonging to a community that loves God and His people, inviting those who had not yet committed themselves to join a Care Group to consider doing so. Rounding off the events for the night was a fun time of various games such as Signs, Skull, and Jackbox, while some took the time to catch up and enjoy the marshmallow dessert.

To youth or young adults who are just entering the college or university stage and are keen to know more about Jesus and Christianity, we strongly encourage you to join a CUG Care Group, where members get to be part of a loving and caring community, and delve deeper into God's Word and His promises for us!
