

Read vs 12-20

1. Why do the claims of Christ eliminate the common idea that He was a good religious teacher, but He is not God?
2. Can a person (e.g. a Jehovah's Witness or Muslim) who professes Jesus as his Savior, but denies His deity, be truly saved?
3. Some argue that God has done all that He can do to save people and now it is up to their response. How do the following verses refute this: 2 Cor. 4:4, 6; Eph. 2:1-5; John 6:44, 64; 8:43?
4. a) What superficial reasons for rejecting Christ have you heard when you've shared the gospel?

b) How can you best answer these excuses?
