HOPE IS BORN

PBC's 2022 Christmas Day service saw more than 700 worshippers and visitors coming together to celebrate the birth of Jesus Christ with joyful carols, a heartfelt testimony by Dr. Thomas Yau, and a message of hope by Pastor Mark Tan.

BRINGING CHRISTMAS JOY TO OUR SENIORS

Our Karis Ministry has not been meeting physically ever since the MCO was announced in March 2020. This is because seniors are by far the most vulnerable group, particularly vulnerable to Covid-19's many health impacts, including a higher risk of hospitalisations, health complications and death.

Nevertheless, they may be out of sight but never out of mind! Our younger and more tech-savvy seniors are constantly in touch with one another via WhatsApp audio calls, Monday weekly video call prayer meetings as well as participating in weekly Zoom Care Group meetings.

Every Christmas since 2020, we bring smiles and Christmas gift bags from PBC to about 30 cherished older seniors. This Christmas Visitation programme is aimed at reminding our octogenarians and nonagenarians that they are not alone or forgotten about at Christmas time, or any other time!

This year's gift bags were distributed from 10th December onwards and contained chicken essence, homemade low sugar jam tarts and a beautiful Christmas card with festive messages and well wishes - simple gifts but a huge reminder that our precious older seniors are thought of and valued at all times!

Watching their faces light up when they received their gifts brought as much joy to the bearers of these gifts. The visits were completed with a prayer for their well-being. Overall, it was a joyous and rewarding experience for all concerned!

And we all look forward with great excitement to resuming physical Friday fellowship on 6 January, 2023!
