## BE EAGER TO ENTER THAT REST - Hebrews 4:1-13

1. Since the Word of God is "living and active", and able to judge the thoughts and attitudes of the heart, in what ways will you allow Scripture to expose the areas of your life where you are currently struggling with unbelief or disobedience?
2. The passage warns that the wilderness generation was unable to enter rest because they were not "united by belief" with what they heard. How can you ensure you are actively appropriating God's promises by faith rather than just hearing them?
