19 - THE LORD WILL JUDGE HIS PEOPLE (Hebrews 10:26-31)

March 17, 2026 class, by Pastor Mark Tan

1. Understanding that God is "**passionate for justice**" and will judge His people, how does this "terrifying expectation" motivate you to **avoid willful and persistent sin**?

2. In what ways are you showing **deep respect for the "blood of the covenant"** through which you were sanctified, rather than treating God's grace with **contempt or insult**?
