18 - LET US HOLD UNSWERVINGLY TO THE HOPE (Hebrews 10:19-25)

1. The passage commands us to "**look out for one another for the stimulation of love and good works**"; who in your community needs your **encouragement or help** to keep running their race?

2. Are you making it a **habit to attend the assembly of believers**, or have you been tempted to "abandon the gathering" and pursue a **more individualistic faith**?
