24 - KEEP ENDURING AS DISCIPLES (Hebrews 12:4-11)

1. Are you tempted to **"take the discipline of the Lord lightly,"** or can you see your current hardships as proof that **God is dealing with you as a son or daughter** whom He loves?

2. How can you **submit more fully** to your "Father of spirits" during this trial so that it may eventually yield the **"peaceable fruit of righteousness"** in your life?
