March 31, 2026 class, by George Tee

1. The elders were approved by faith while acknowledging they were "**strangers and travelers on the earth**"; how is your current lifestyle demonstrating that you are **seeking a heavenly homeland** rather than an earthly one?

2. If faith is the "**proof of things not seen**," what specific "unseen" promise of God are you **clinging to right now** despite your visible circumstances?
