

Chapters 13–20: Paul's Three Missionary Journeys

Acts 13

Context: The Antioch church sets apart Paul and Barnabas for the first missionary journey, starting in Cyprus and Pisidian Antioch.

1. The church sent out their best leaders during a time of fasting and worship. What are you willing to sacrifice or release from your local ministry for the sake of the global church?
2. Paul adapts his sermon in the synagogue to trace Jewish history. How can you better understand the background of the people you talk to so you can share the gospel effectively?
